

Davidson 86556

Leather | 2012 - Brandy

Experience elevated comfort with the Davidson Zero Gravity Reclining Collection, featuring a sleek center console with hidden cup holders and built-in storage. With power headrests, power lumbar, and smooth power recline, this collection delivers personalized relaxation and modern convenience in any space.

Product Highlights

Top Grain Leather

Top grain leather on all seating surfaces with leather match on sides and back

Frame

Hand-crafted with kiln-dried solid wood frame and reinforced with L-braced and glued corner blocks for maximum durability

Power Motion

Smooth, noiseless and stable power headrest and Zero Gravity reclining offers more comfort and versatility

Construction Details: Sinuous spring base with foam padded sides and back provide added support and comfort

Cushion Construction

- Memory Foam
- 2.25 High Density Foam
- Pocketed Coils
- Serpentine No Sag Spring

Our cushions combine a sinuous spring suspension and a layered comfort system with memory foam and HD foam positioned above individually wrapped pocketed coils. With this design, we have engineered a firm yet comfortable seating experience without feeling like you are sinking into the furniture frame or "bottoming out". This may reduce lower back strain allowing you to sit comfortably for extended periods of time. The hybrid foam and pocketed coil cushion design also ensures a longer lifespan providing lasting and consistent comfort.
