Product Highlights

100% Top Grain Leather
Every surface wrapped in high-quality top grain leather

Broad Leather Design

Track Arms

Down & Feather

Is a natural, sustainable material with hypoallergenic and insulative properties, providing a relaxing, soft cradling feel and a lofty texture

Frame

Hand-crafted with kiln-dried solid wood frame and reinforced with L-braced and glued corner blocks for maximum durability

High Leg Design

Crafted with sustainably sourced Canadian hardwood and features eco-friendly practices, including certified environmentally friendly foam and glues.

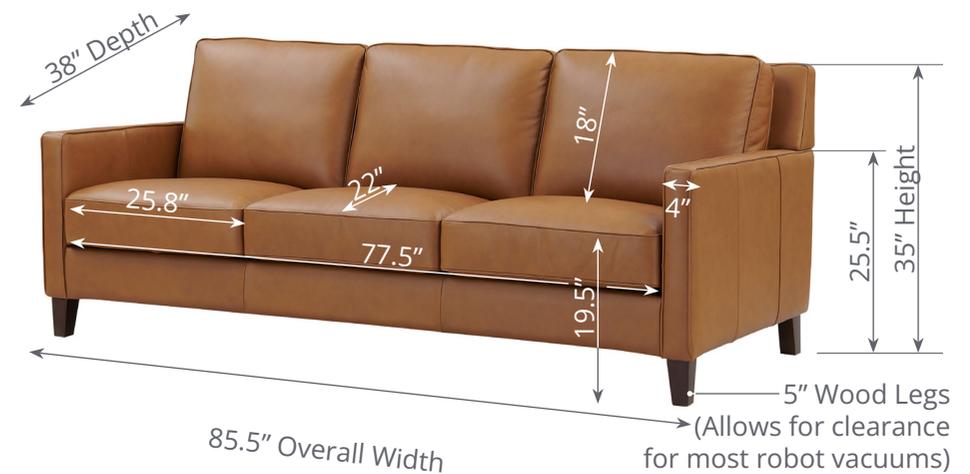

Cushion Construction

Down & Feather
Memory Foam
2.25lbs High Density Foam
Pocketed Coils
1.80lbs Density Foam

Our cushions combine a sinuous spring suspension and a layered comfort system with memory foam and HD foam positioned above individually wrapped pocketed coils. With this design, we have engineered a firm yet comfortable seating experience without feeling like you are sinking into the furniture frame or "bottoming out". This may reduce lower back strain allowing you to sit comfortably for extended periods of time. The hybrid foam and pocketed coil cushion design also ensures a longer lifespan providing lasting and consistent comfort.
