

# Westcott 8709I

Leather | 2376 - Concrete

The Westcott features a transitional modern design with a subtle back cushion swoop and tapered wooden legs. Pillowed track arms enhance comfort and style, while its refined craftsmanship ensures a sophisticated appeal. Perfect for any modern living space, the Westcott blends elegance with contemporary charm.

## Product Highlights

### Top Grain Leather

Top grain leather on all seating surfaces with leather match on sides and back

### Comfort Design

Soft sloped arm rest provide you with comfort while still giving you the Mid-Century modern design flair

### High Leg Design

Spacious leg design allow your heels to be under the sofa making it easier for you to stand up

**Construction Details:** Sinuous spring base with foam padded sides and back provide added support and comfort

## Cushion Construction

- Memory Foam
- 2.25lbs High Density Foam
- Pocketed Coils
- 1.80lbs Density Foam

Our cushions combine a sinuous spring suspension and a layered comfort system with memory foam and HD foam positioned above individually wrapped pocketed coils. With this design, we have engineered a firm yet comfortable seating experience without feeling like you are sinking into the furniture frame or "bottoming out". This may reduce lower back strain allowing you to sit comfortably for extended periods of time. The hybrid foam and pocketed coil cushion design also ensures a longer lifespan providing lasting and consistent comfort.
